**Of course, Dominion is related to Smartmatic and Sequoia machines.**

**Why are they denying this?**

A thread on Twitter shows all the relationships with Dominion and Smartmatic/Sequoia:

The Fake News loves to say there is no connection between Smartmatic/Sequoia & Dominion voting machines.

Executive Eric Coomer created the adjudication process in Dominion machines which could move votes from one candidate to another:

**If these people will lie about these things then what else are they lying about?**

**This is very disturbing. They should be happy and willing to testify – not lashing out at anyone who calls them out!**
