JOHN GAULTIER'S FEROCIOUS CONSERVATIVE BULLETIN: EXPOSED: Shocking History of Dominion Voting Systems: THE FRAUD ...

designer, claimed to have used a government supercomputer program to change the ballots on the voting machines from Trump to Biden. Sidney Powell, a Trump attorney, claims that the Dominion voting system interfered in U.S. elections on a massive scale. "There's a flood of evidence that proves that's true." Powell also claims she has a very strong witness who explains how it all works. His affidavit was attached to a brief filed by attorney Lynn Wood, who filed the lawsuit in Georgia.
